

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MT. OLIVET)	CASE NO. 9918-TT
NATURAL GAS COMPANY, INC.)	

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On January 10, 1990, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") notified the Commission that its wholesale cost of gas was increased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective February 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Mt. Olivet's notice of January 10, 1990 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its supplier.

(2) In calculating its proposed rates, Mt. Olivet used base retail rates that were not approved. The rates approved in Case No. 9918-SS should be used as the basis for calculating Mt. Olivet's proposed adjustment. The resulting increase in rates is \$7,025 or 17.21 cents per Mcf.

(3) Transmission applied with the Federal Energy Regulatory Commission for increased rates to become effective February 1, 1990. Mt. Olivet requested a waiver of the 30-day filing requirement. Pursuant to KRS 278.180, upon Mt. Olivet's showing of good cause, Mt. Olivet's request should be granted. The effective date for the increase should be February 1, 1990. Transmission's rates are subject to refund; therefore, Mt. Olivet's rates should be subject to refund.

(4) The corrected adjustment in Mt. Olivet's rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987 is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after February 1, 1990, subject to refund.

IT IS THEREFORE ORDERED that:

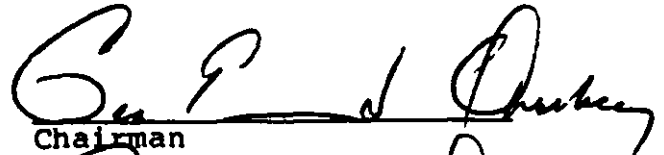

(1) The rates proposed by Mt. Olivet are denied.

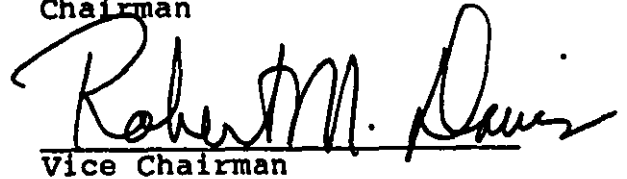

(2) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after February 1, 1990, subject to refund.

(3) Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 1st day of February, 1990.
